• Social Security Scheme

The Government of Tamil Nadu is a pioneer in implementing social security schemes to protect the poor and marginalized people of the society. Under these schemes, monthly pension is being provided to senior citizens, differently abled people, widows, agricultural labourers, farmers, destitute/abandoned women and destitute unmarried poor women above the age of 50. While the monthly pension for differently abled people was being provided at Rs.1,000/-, it has been increased to Rs.1,500/- from 01.01.2023 and the pension for beneficiaries under other pension schemes (excluding differently abled pension scheme) has been increased to Rs.1,200/- from August-2023. A budget of Rs.5421.11 crore has been allocated for all social security schemes for the financial year 2024-25.

- **State Government Schemes** In order to protect the livelihood of the marginalized people in the society, the Government of Tamil Nadu is implementing the following social security schemes.
